Monthly Mission Moment

NCS VineBranch

NCS VineBranch is the missional outreach of the Winston Salem chapter of the New Canaan Society. Through travel to the Middle East they encourage and support those serving in hard places, those often in need of resources and constantly in need of prayer. In Europe, VineBranch connects and encourages marketplace leaders and believers to share their faith. Through shared experiences they connect and become students of Jesus together in order to model commitment, intentionality and service to each other and to the world in which we live. Cornerstone support VineBranch through prayer, mission trips and monthly support.
