### Monthly Mission Moment

#### Charlie & Vickie Brent and Family

Charlie and Vickie train students from sensitive locations at

Texas A&M to serve as evangelist and disciples in their home countries and other countries where there is increased hostility to the church and imprisonment of pastors. Their prayer requests continue to be:

- Chronic health issues with a few of the kids
- For the local ministry as they "relaunch" this fall with an entirely new team,
- For the Lord to bring new Christian international student leaders. They will meet with the new team in August to seek the Lord's guidance to decide which, if any, specific unreached group to focus efforts on during the coming school year. The largest populations they are considering are from China, India, South Korea, Iran and possibly Korea as a source of Christian leadership.

Cornerstone supports this Brent Family through prayer, and monthly support.
