January Mission Highlight

Rosebud Indian Reservation, SD

The Rosebud Indian Reservation is in one of the poorest counties in the United States. More than 46% of the reservation's children live below the poverty line. In order to survive, extended families pool their meager resources together to try and provide for their basic needs. Harsh weather, remoteness, chronic lack of economic opportunities and resources combine to create deplorable living conditions. We have connected with several churches and outreaches in this community and annually send a team to help with the "Feast for the Nation" and to reach out to the missionaries that live there. If you would like to join this missionary team, please speak to Chuck Bradford.

Open Basketball

Mondays from 7-9pm there is **open** basketball for middle school and up in the FLC. Come and get some exercise or just cheer the players on!

We are resuming Sunday School at 9am offering the following classes:

For Adult

- **Theology Class** (Room 102)
Answering the hard questions from a Biblical perspective.
- **Get Connected** – (Room 108)
Looking at life issues from a Biblical perspective.
- **Men’s Bible Study** – (Room 113)
The “Red” Words – A compilations of the Words of Jesus
- **Soul Sisters** – (Room 120)
Women’s Support Group

For Youth – Middle School & High School in the Theater room #119

For Children – Grades K to 5th
Resuming their journey through the Bible with the New Testament in room #109

This is an opportunity to get connected and grow in your walk with the Lord. **(No nursery for the foreseeable future.)**
