Our Special Guest Speakers

Adam & Faith Drake and their family have been honored to serve in Mango Togo,

as missionaries with ABWE for the past 11 years. They are looking forward to returning in December. They serve in a predominately Muslim area and are asking the Lord to lead them towards men and women of peace that would be open to the Gospel. They are praying for inroads into 5 villages surrounding Mango. With Hope Radio they have translated and prepared many great radio programs that will reach people in their own homes and in remote villages. Their school "Le Bon Berger" (The Good Shepherd) gives them the opportunity to reach 181 children with the Gospel. Hospital of Hope is a part of their Mango team and needs doctors, nurses, surgeons, bio med, etc. Please pray for their support as they transition back in Togo and as they strive to live God honoring lives in their community. If you would like more information or would like to support them in their work, please email them at drake@abwe.cc.

Monthly Mission Moment

Family Promise is a community-based response to families experiencing homelessness. They help families attain sustainable independence through provision of shelter, financial assistance, and case management. Families make up the fastest growing segment of the homeless population. Family Promise defines "family" as at least one child and one adult held together by bonds of love and commitment, and where the adult(s) have the responsibility for the care and nurturing of the child(ren). We believe every family has promise and every child deserves a home.
